

VAUXHALL OWNERS CLUB OF AUSTRALIA
K TO K TAG – ALONG TOUR
KUNUNURRA TO KALGOOLIE
THURSDAY 1ST AUGUST 2019 – THURSDAY 5TH SEPTEMBER 2019

This tour has been in the planning for several years now. The itinerary has been compiled by several people. Jim and Hellen Selkirk along with Laurie and Jo Lupton have put many hours correlating this and have a great knowledge of most of the areas as they have either travelled or worked up there in the past. We have also used information from other members and friends who have travelled these areas and of course tourist brochures.

This will be our 4th Tag – along tour since 2007, giving those who prefer to travel in groups the opportunity to visit areas they may not wish to do so by themselves or may not have known about. For those members who are new to the club or older members who have not attended one of our tours before they operate differently and independently to our yearly National Rallies. We do not hold general meetings, show N shines, judging of vehicles, organise accommodation, meals or activities.

What we do is provide is a suggested route or routes, time of the year with a start date and venue and a finish date and venue, a list of attractions in the different places we visit along the way you may wish to look at or participate in between the start and finish, accommodation in the areas we plan to stay overnight and for how many nights we plan to stay so you can choose which best suits your needs and budget, we also offer a preferred stop so as to have as many of us together each night so we can discuss the days adventures and plan our next day's adventure. You can decide to travel in small or large groups or by yourself. The decisions are all yours. Where we feel several members would like to do the same activity we will endeavour to arrange a group booking and every three to four days we will all meet together for dinner either at a club/pub/restaurant or around a BBQ/campfire. This way we can all discuss the next few days and get an idea of what everyone is planning on looking at and which routes (if more than one) your planning on taking. As this is nomad season some places will be hard to get into so we do suggest early bookings are essential.

If you are not able to attend the whole tour, you are more than welcome to meet up with us at any time during the tour or finish earlier depending on your own commitments. You may also wish to take a different route along the trip and meet up with us again down the track. Basically, our tours are really you arranging your own holiday with a group of mates, just someone has given you a draft to assist with the preparations.

We will be arranging a commemorative grille badge (one per entry form) for this trip along with a pack containing information etc.
